Focus Areas

PRESERVATION OF ISSUES FOR APPEAL

An effective appeal begins with proper preservation of the issues for appeal at the trial court level. We assist our clients with significant trial motions, jury instructions, and post-trial motions to assist them in preserving critical issues for appeal.

C.R.C.P. 54(B) CERTIFICATION, INTERLOCUTORY APPEALS, + ORIGINAL JURISDICTION

Some cases call for appellate review prior to final judgment in the trial court. Our attorneys have successfully obtained C.R.C.P. 54(b) certification, utilized interlocutory appeal statutes and rules, and convinced the Colorado Supreme Court to exercise its original jurisdiction under C.A.R. 21.

NOTICES OF APPEAL AND PETITIONS FOR CERTIORARI

Our attorneys have filed countless notices of appeal with the lower state and federal appellate courts and petitioned for and been granted certiorari by the Colorado Supreme Court. We have also successfully defended against petitions for certiorari in the Colorado Supreme Court and the United States Supreme Court.

APPELLATE BRIEFING

Our group is adept at drafting and filing opening, response, and reply briefs, following strict court standards and requirements. We have repeatedly succeeded in obtaining reversals and defending judgments on appeal.

ORAL ARGUMENT

Our attorneys have made oral arguments to the Colorado Court of Appeals, Supreme Court of Colorado, Ninth Circuit Court of Appeals, Tenth Circuit Court of Appeals, and United States Supreme Court.

CONSULTATION

BHGR's Appellate Group also works with attorneys at other firms who seek appellate consulting services, advice, and moot court opportunities.
