## ABOUT IAN

As one of the newest litigation practice group members, Ian brings with him a wealth of experience having worked for an award-winning national law firm prior to joining BHGR. He has represented individuals, small businesses, and one of the world's largest grocery chains on a variety of matters, including construction, breach of contract, employment, premises liability, negligence, and bad faith breach of insurance contract matters.

Ian earned his Juris Doctor from the University of Denver Sturm College of Law in 2021. In law school, he worked in the Environmental Law Clinic and was a member of the Student Trial Lawyers Association.

Ian received his Bachelor of Arts in Criminology and Philosophy from the University of New Mexico in 2015.

When he is not practicing law, Ian loves being outdoors and enjoys hiking, skiing, bow hunting, camping, riding his motorcycle, and spending time with his dog, Axl. When he is forced to be indoors, you can find Ian watching his beloved Green Bay Packers.
